Dogs must have an Open title earned prior to April 30 to be eligible for entry into the Barn Hunt National. The title held on April 30 is the title level used for the opening dates below.

Entries will be accepted on a first received basis using the following opening dates:

- Dogs with Master titles and above: Entries open June 1
- Dogs with Senior titles: Entries open June 15
- Dogs with Open titles: Entries open June 31

Dogs may be entered any time after their opening date as above, and before the closing date, but will not get special consideration for their title level if they enter later than the opening date for their title. A waiting list will be maintained.

There is a separate entry form for Games. All entries for the same dog (Grand National plus any Games) must be in the same envelope. If entering Team, all entries for both dogs must be in the same envelope.

- Team dogs may have different level titles (e.g., one dog has a Master title and the other a Senior title).
- Team entries are accepted during the open date period for the dog with the highest title competing in the Team.
- The Grand National and/or Hurdles entry for the dog with the lower level title will be set aside until the opening date for that level.

Entries close July 31.

Entry Limits:

Grand National: 160 dogs

Team: 60 teams/120 dogs

Hurdles: 100 dogs
