General Information:

Dogs must be eligible to run a class at time of entry. Dogs will be blinded in groups of five, except for Master which will be groups of four. Dogs who complete a title at a trial may move up in the next trial. Please make move-up requests at the Trial Secretary's desk as soon as possible. Handlers are responsible for making the request in time for the move-up to be processed.

All entries must be accompanied by correct entry fees. Entries must have a Barn Hunt Association registration number. Forms submitted without a registration number will be returned or shredded. Any entries received before the opening date will be returned or shredded. A returned check does not constitute a valid entry and will incur a \$50 penalty. No electronic entries other than via [Secreterrier.com](https://secreterrier.com) (see below) will be accepted. Send paper entries to the Trial Secretary and make checks payable to North Texas Barnhunters. **No changes will be made after Wednesday, 9/11/2024.** Entry forms sent to the trial site will incur a \$10 service charge; see the entry form for the correct address.

We are now taking online entries at secreterrier.com using the random draw feature. This is the recommended and preferred way to enter our trials. Secreterrier collects a non-refundable \$1/run service fee and entry fees upon entry. You will receive an immediate response that your entry was received. After the random draw has been completed, you will receive an entry confirmation by email. **The \$1 Secreterrier fee will also be collected from those using vouchers for entries.**

Mailed-in paper entries must include the correct fees as noted above. These fees include a \$1/run non-refundable processing fee. If you wish to mail a paper form, it's preferable that you complete the form below on your computer, or use the "Create/Modify Mail-in Entry Form" feature at barnhunt.com (be sure to click "I understand" and print your entry form) if mailing your entry. Hand-written entries that are not legible will be rejected.

Managing Your Dogs:

All dogs must be kept on a short leash and under control while on trial grounds except when in the ring. Please consult the rule books for more information on how to manage your dog on Barn Hunt grounds.

Dogs will be run in an order determined by the Trial Secretary, with dogs being handled by the same person separated into different staged groups. Master will be run in blinds of four dogs; all other classes in blinds of five. **All requests for running order changes must be approved by the Trial Committee.**

Bitches in Season:

Per Barn Hunt Association rules, bitches in season are eligible for entry but will be required to be kept separate from all other dogs and will be run at the end of their classes. There will be designated BIS crating and pottying areas. Entry fees for bitches that come into season will be refunded until the closing date of the trial if you wish to withdraw. After the trial closes, entry fees will not be refunded. If you bring a bitch in season, you must inform the Trial Committee prior to the trial and you are requested to inform all exhibitors at the judges' briefings. Bitches in season must wear pants in the ring as well as at all other times when not pottying.

Sanitation:

Handlers who fail to pick up after their dogs may be excused from the trial. Repeated or egregious offenses on this point may result in exclusion from the sport altogether.

Volunteers:

As is the case with all dog sports, volunteers are critical to the success of every Barnhunt trial. Please contact the Volunteer Coordinator or any other Trial Committee member to to volunteer for this trial. Volunteers will be provided with lunch, snacks, and refreshments, as well as voucher coupons for future trial entries.
