Questions about What Class to Enter?

(Please refer to and review Part 14: Regular Classes section of the BHA Competitor Rule book.)

Section 2: What Class to Enter. When sending in an entry prior to the Event, the Class entered depends on titles previously earned. Dogs cannot be entered in a class they are not yet eligible to enter. It is the competitor's responsibility to know the dog's eligibility. Per BHA, any dog entering a class they are not eligible to enter will have any and all qualifying scores removed for that class. (See Flow Chart on page 18 of Competitors Rule book.)

Section 3: Moving Up, Down, or Over during an Event

At this event, Competitors can move up (A to next level A) or over (A to B at the same level) trial to trial **if running order allows**, and time and/or judging limits are not exceeded. Dogs achieving RATM from Master A must move to Master B for RATCH and RATCHX and above.

Competitors can move down (A level title earned and move down to lower level B) trial to trial **if running order allows**. (Original entry fees will not be adjusted, credited, or refunded.)
